BENEFITS

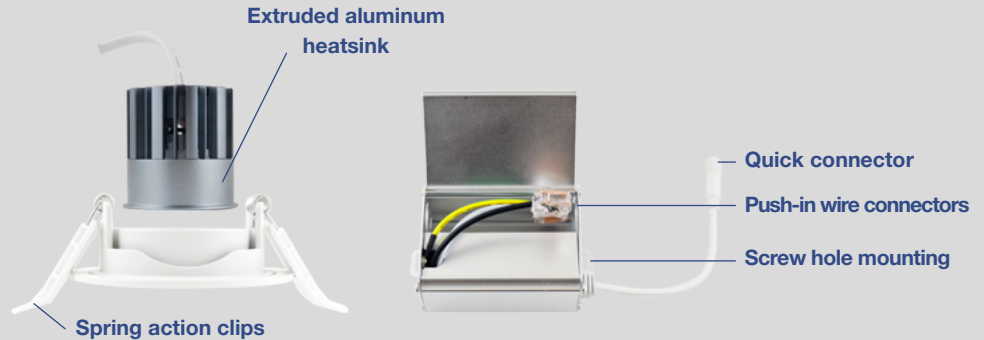

EXTENSIVE TRIM SELECTION

The 2" MINIFIT modules have a variety of field interchangeable trim options to compliment many different applications. Choose between deep or flat trim, white or brushed metal finishes, and open or glass enclosed lenses. The MINIFIT 2" module adds a fresh, clean, simple look to any lighting project.

QUICK AND EASY INSTALLATION

Installing the 2" MINIFIT modules is very simple. Connect the power to the driver box. Then attach the fixture with the quick connect cord and fasten it to the ceiling securely with the spring action clips.
