	Nova	NTSTV-DV	10%-100%	Compatible
Leviton	IllumaTech	IP710-LFZ	10%-100%	Compatible

GREEN CREATIVE has provided this dimmer switch Compatible chart for guidance when selecting a dimmer and lamp combination. Our Fixtures were tested for Compatible with the above listed dimmers. Dimmers that do not appear on the chart might still be compatible but have not been tested. All testing has been performed with a stable main supply. The quality of the local main, existing installation and wiring, as well as different manufacturer versions of the above dimmers may affect dimming performance. Since no assurance can be provided regarding these factors, it is a general recommendation to perform a test on-site prior to installing the LED Fixtures.
