

GREENCREATIVE

Unrivalled Efficiency Upgraded Flexibility

The INNOFIT Plus pairs industry leading efficiency with upgraded flexibility. Featuring both selectable light output and color temperatures, INNOFIT Plus downlight continues our innovation of universal retrofit solutions for any commercial or residential application.

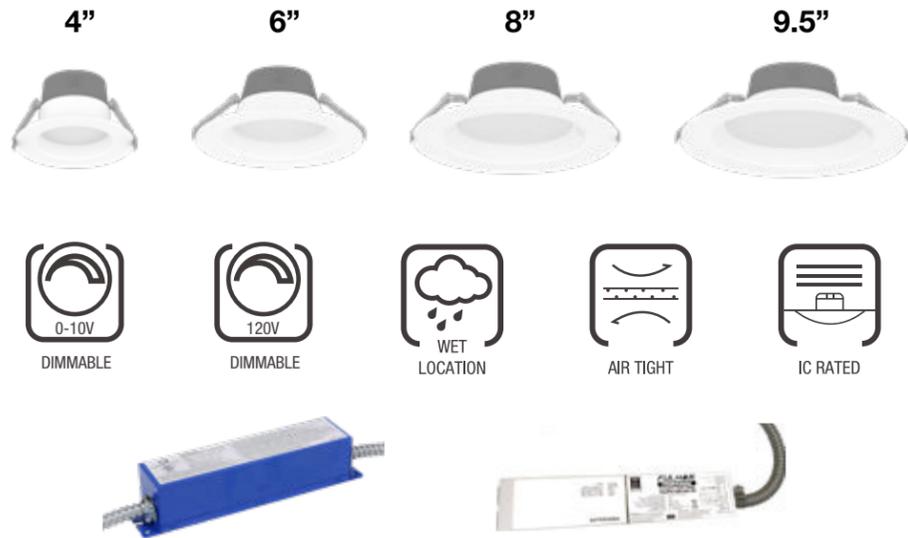

Exceptional Flexibility

Powered by SelectDrive and SelectKelvin technologies, this new and improved downlight family offers field-selectable light output and color temperature selection, to accommodate your project's unique requirements and intended atmosphere.

These features provide exceptional flexibility for contractors and installers when altering designs on the spot. Distributors also benefit from reduced processing, warehousing and logistics costs, as one product provides nine unique combinations of light output and color.

Universal Compatibility

The family is available in 4", 6", 8" and 9.5" sizes with models available for either 0-10V or 120V TRIAC/ELV dimming systems. Field installable emergency back-ups are also available for emergency lighting requirements. Certified with Air-Tight, IC and Wet Location ratings, the INNOFIT Plus is the optimal choice for almost any retrofit application.

Maximum Energy Savings

The INNOFIT Plus has been engineered for efficiency without sacrificing performance. With an industry-leading efficacy of up to 140 lumens per watt, installing the INNOFIT Plus offers maximum energy savings and results in a swift ROI.

* Fixed-CCT 6" and 8" 0-10V dimmable models also available. Consult GREEN CREATIVE for more information.

Select Drive

3 Lumen Levels

	Low	Med	High
4"	700lm	1050lm	1400lm
6"	1180lm	1700lm	2100lm
8"	1560lm	2080lm	3000lm
9.5"	2100lm	3150lm	3650lm

Select Kelvin

3 Color Temperatures

- 3000K Warm White
- 3500K Neutral White
- 4000K Cool White

- SelectDrive allowing selection from 3 lumen outputs
- SelectKelvin technology for 3 field selectable CCTs
- Industry leading 140 LPW
- 120V and 0-10V dimming options
- Wet Location, IC and Air-tight rated
