SelectDrive External Driver Type C Linear Retrofit Lamps

Enjoy more flexibility and greater energy savings

Designed to replace 14W-32W fluorescent T8 and T5 lamps, our retrofit lamps offer remarkable performance and generate substantial ROI. Featured with SelectDrive technology, the system enables users to choose from three field-selectable lumen outputs with just a flip of switch. The GREEN CREATIVE Linear Retrofit Lamp is a cost-effective solution for most applications.

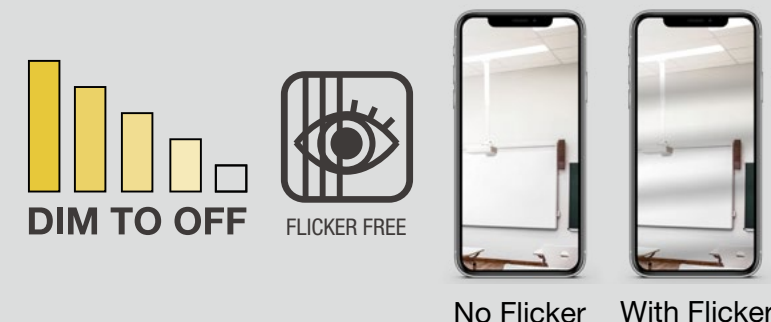

SelectDrive Technology

Meet a variety of lighting needs with just one product. Choose from three lumen output levels simply by flipping the switch on the driver.

Flicker Free Dim-To-Off

Our external drivers are compatible with a wide range of dimming systems at 0-10V, provide flicker free Dim-To-Off performance, and support energy compliance to most building codes.

APPLICATIONS

HOSPITAL

Simplify an installation using one SelectDrive kit for, atriums, waiting rooms, patient rooms, and operating rooms.

EDUCATION

SelectDrive Type C is the perfect solution for cafeterias, classrooms, hallways, and offices.

OFFICE

Use one retrofit kit to address lobbies, general work spaces, and conference rooms.

MARKET

With the SelectDrive Type C system one lamp and driver can light storage, back of house offices, and shopping areas.

No Minimum Load

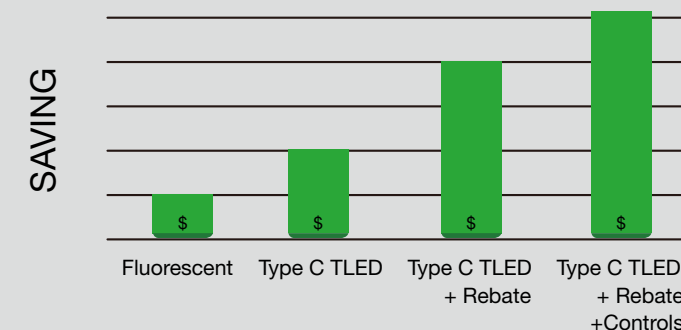

Parallel outputs design require no minimum lamp load to operate properly. This eliminates the risk of lamp damage from overloads regardless of the number of lamps connected.

Maximized Savings

Type C represent a significant savings vs fluorescent bulbs. Maximize your savings with a utility incentive* and by adding controls to further reduce power consumption.

*where applicable

Full Range of Options

Customize your order by choosing from our wide range of product options. Select from T8 or T5, a range of sizes in 2', 3' and 4', as well as U-bent, and three color temperatures in 3500K, 4000K and 5000K. With L70 rated lifetime of 60,000 hours, all products come with a standard 5 year limited warranty, with optional extended 10 year warranty available.
