

# ATOM TRACK FIXTURE

**The patent pending design is assembled in the USA**

- Modular light engine allows for easy field customization
- Over 1,000 lumens from a small, compact track fixture
- Classic cylindrical design works with any lighting design

## FEATURES

- H, J and L adapters and Canopy Mount available
- 650 and 1,050 nominal lumens
- Available in 2700K, 3000K, 3500K and 4000K CCT
- 25° Narrow and 35° Flood beam available
- Minimum 90 CRI with 3-step SDCM LED binning
- Matte black and matte white finishes
- Easy to install, snap-on accessories available
- Forward and reverse phase dimming, down to 10%
- Meets CA Title 24 requirements
- Rated L70 lifetime of 50,000 hours
- ETL and ENERGY STAR® listed
- 5-year warranty

## APPLICATIONS

- Retail
- Residential
- Hospitality
- Commercial
- Libraries and museums

# BENEFITS

The Atom Track offers industry-leading performance in a versatile, compact fixture. With your choice of color temperature, lumen output, track adapter, beam angle, and fixture color, you can tailor this track light to any application. The Atom Track's modular design makes it fully customizable, allowing you to easily make in-field upgrades to the light engine or lens. Snap-on accessories offer even more options, giving you flexibility and variety to your lighting project.
